

ACCESS LIBRARY DATABASES

For locations outside of the Adrian campus, students can access the library databases through the My Siena portal. This access will provide you with single page access to ALL of the SHU databases. If you encounter access issues from a workplace computer, there may be security measures enacted by your workplace that prevent you from accessing this information. Your home computer should allow access. For technical assistance, please contact the **Information Technology Assistance Center** at 517-264-7655.

ACCESS DATABASES

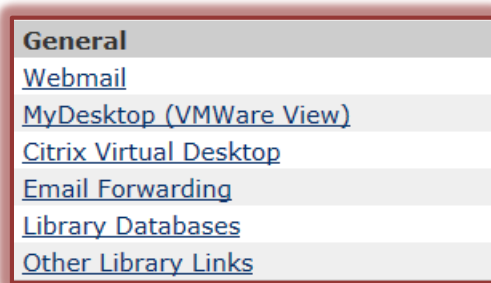

- 🖥️ Open your **Web Browser**.
- 🖥️ In the **Address Bar** input www.sienaheights.edu.
- 🖥️ When the **Siena Web Page** displays, click the **My Siena** link (see illustration below).

- 🖥️ The **My Siena** page will display (see illustration below).

- 🖥️ Log into **My Siena** by inputting your **Username** and **Password** into the respective boxes.
- 🖥️ Click the **Login** button or press the **Enter** key.
- 🖥️ You should see a message that says **Welcome Back**.
- 🖥️ In the **My Tools** area, click the **Library Databases** link (see illustration below).

- 🖥️ The **Library Databases** window will display (see illustration on next page).
- 🖥️ Click the link for one of the databases to access it.
- 🖥️ The window for the selected **Database** will open.
- 🖥️ To exit from the database and return to the **Library Databases** window, click the **Close** button in the upper-right corner of the database window.
