# Advisor Tools-GPA Projection

This link is used to estimate what a student's GPA will be after the current semester is over.

✟ In the **Advisee List**, click on the student's name.
✟ The **Advisee Details** window will display.
✟ Under **Academic Records**, click the **GPA Projection** link.
✟ The **GPA Projection** window will display (see illustration below).

GPA Projection for:

Please select a Course Program for which to calculate your projected GPA.

Course Program: Undergraduate ▼

| Current Term Projection | GPA Calculator |

There are no courses available to project for the selected Division

Career GPA: 3.750

Career Credits: 102.000

The Career values displayed here include any graded courses listed below.

Uncheck the Include checkbox for any un-graded courses you do not wish to include in the projection. For each of the remaining un-graded courses, enter a projected grade and press the Create Projection button.

A career GPA estimate will be calculated based on your current career GPA (displayed above) and the grades you provide. Also, a GPA will be calculated for just the selected courses.

Note: GPA projection does not take into account repeat logic for repeat courses or for courses that do not count for graduation

* The Credits column will contain attempted credits for un-graded courses and earned credits for graded courses.
