

Any Students using any **Apple devices** on campus, need to be **on campus** to access the **Siena wireless Wi-Fi connection.**

Step 1: Select the Wifi connection. When you are on campus, **click on the Saints_WiFi** wireless connection, on **Apple Laptops**, go to the **System Preferences icon.** For the **Apple Watch, iPhones, Ipads, or Ipods**, go to the **Settings Icon.** (See the picture to the right). Open your Safari browser, from your Apple device Proceed to **Step 2.**

Step 2: Registered your Apple device.

Click on any page on the Safari browser, and the **Siena Heights University Network Access** page will appear and then follow the directions on the page. Any questions or problems proceed to **Step 3.**

Step 3 Need any further assistance call **517-264-7655.**
