The first step is to register and create a user profile on the Turnitin Web site. In order to create a profile, you must have an account ID and an account join password. When working through the Wizard, any item that has a red asterisk (*) beside it is required. This means that the information has to be filled in before the User Account will be created.

- ✦ In the **Address** area, input www.turnitin.com or log into **My Siena** and in the **Quick Links** area click **Turnitin**.
- ✦ Click the **Create Account** link (see illustration below).

A horizontal navigation bar with a light gray background. On the left, there are two links: 'Create Account' and 'Retrieve Password'. To the right of these links are two input fields: 'Email' and 'Password'. On the far right is a blue button labeled 'Sign In'.
