

## CREATE USER ACCOUNT-STUDENTS

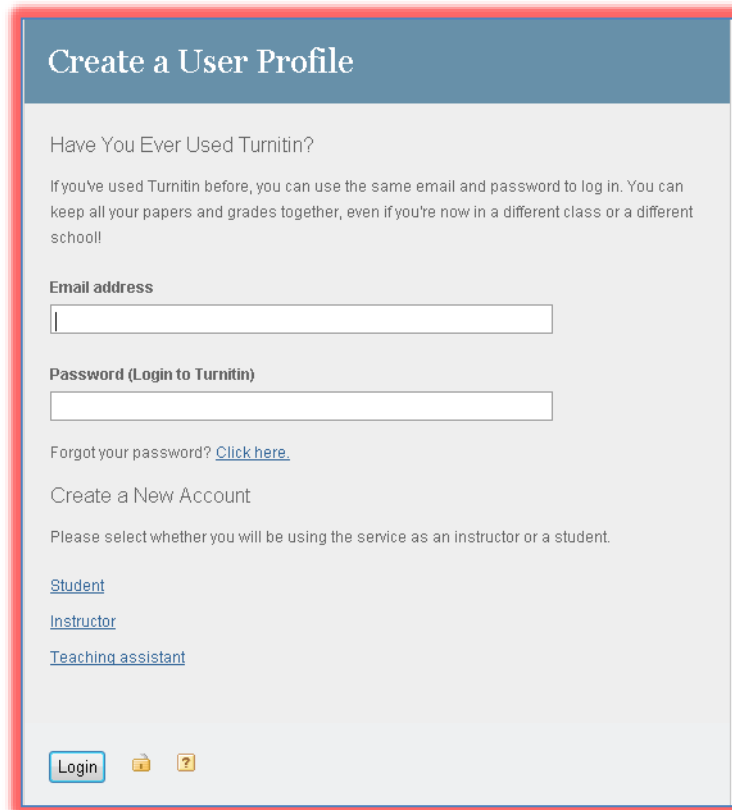

When you create a user profile, you must know the **Class ID Number** and the **Class Enrollment Password**. This information can be obtained from your course instructor.

- † Open your **Web Browser**.
- † In the **Address** box, input [www.turnitin.com](http://www.turnitin.com).
- † Press the **Enter** key.
- or
- † Log into **My Siena**.
- † Scroll to the **Quick Links** portal.
- † Click the **Turnitin** link.
- † The **Turnitin Home Page** will display.
- † Click the **Create Account** link (see illustration below) on the **Turnitin** page.

The illustration shows a horizontal bar with a light blue background. On the left, there are two links: "Create Account" and "Retrieve Password". To the right of these links are two input fields: "Email" and "Password". On the far right, there is a blue button labeled "Sign In".

- † The **Create a User Profile** page will open (see illustration below).

The illustration shows the "Create a User Profile" page. At the top, there is a blue header with the text "Create a User Profile". Below the header, there is a section titled "Have You Ever Used Turnitin?". The text below this section says: "If you've used Turnitin before, you can use the same email and password to log in. You can keep all your papers and grades together, even if you're now in a different class or a different school!". Below this text, there are two input fields: "Email address" and "Password (Login to Turnitin)". Below the password field, there is a link: "Forgot your password? [Click here.](#)". Below the link, there is a section titled "Create a New Account". The text below this section says: "Please select whether you will be using the service as an instructor or a student." Below this text, there are three links: "Student", "Instructor", and "Teaching assistant". At the bottom of the page, there is a blue button labeled "Login" and two small icons: a lock icon and a question mark icon.

- † Under the **Create a New Account** area, click the **Student** link (see illustration above).
- † The **Create a New Student Account** page will display (see illustration on next page).
- † In this page, input the required information.
- † The **Course ID** and the **Class Enrollment Password** can be obtained from the course instructor.
- † When all the information has been entered, read the **User Agreement**.
- † Click the **I agree – Create Profile** button.

## Create a New Student Account

### Class ID Information

All students must be enrolled in an active class. To enroll in a class, please enter the class ID number and class enrollment password that you were given by your instructor.

Please note that the password and pincode are case-sensitive. If you do not have this information, or the information you are entering appears to be incorrect, please contact your instructor.

**Class ID**

**Class enrollment password**

### User Information

**Your first name**

**Your last name**

**Display names as**

- First name (Space) Last name (example: John Smith)
- Last name (Space) First name (example: Smith John)
- Last name(No space)First name (example: SmithJohn)

**Email address**

✚ This process will create your profile and add you to the course.
