

Exam-Add Matching Questions

To create this type of question, just input the question and then enter matched pairs in the boxes provided. When creating a Matching Test/Quiz in eCollege there have to be as many Matching Answers as Matching Text.

- Click the **Author** tab.
- Click the **Week** in the **Navigation Tree** where the quiz or test is located.
- Click the **Exam** into which the questions are to be added.
- The **Exam** window will display (see illustration below).

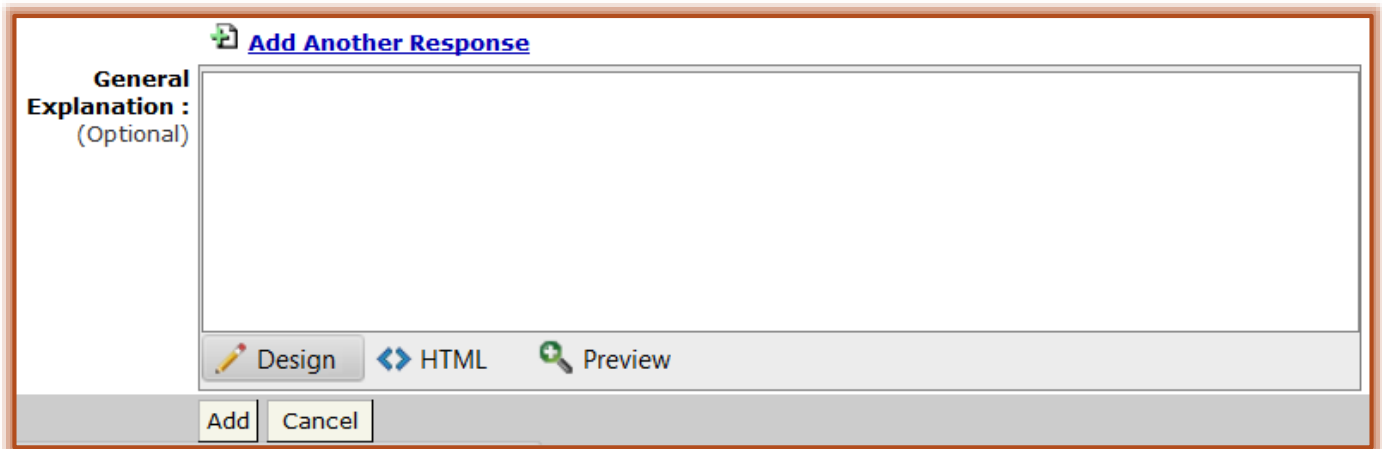

The screenshot shows the 'Week 2: Week 2 - Quiz 2' assessment editor. At the top, there are tabs for 'Content', 'Toolbox', and 'Test Banks'. Below the tabs, there is a section for 'Title & Introductory Text' with an 'Edit' link. The interface includes navigation for pages (Page: 1, 2) and actions like 'Edit Page 1', 'Delete Page 1', and 'Add New Page'. On the right side, there are links for 'Preview Exam', 'Preview Graded Exam', and 'Exam Statistics'. At the bottom, there is a dropdown menu for 'Add' with 'New True/False Question' selected, and an 'Add' button.

- In the **Add** list, select **New Matching Question**.
- Click the **Add** button on the right side of the window.
- The **Add Matching Question** window will display (see illustration below).

The screenshot shows the 'Add Matching Question' dialog box. It has an 'Add' button and a 'Cancel' button at the top. The main area contains a large text box for the 'Question'. Below the question box are three buttons: 'Design', 'HTML', and 'Preview'. There is a 'Points' field with a small input box. Below the points field is the 'Correct Response' section, which says 'Fill in as many matched pairs as needed.' There are two large text boxes for '1. Matching Text' and '1. Matching Answer', with a 'Matches' label between them. Each of these two boxes has its own 'Design', 'HTML', and 'Preview' buttons at the bottom.

- In the **Question** box, input the text for the question.

- Input the number of points that this question is worth in the **Points** box.
- In the **Matching Text** boxes, input the words or statements that are to be matched.
- In the **Matching Answer** box, input the answer that matches the text on the left.
- If necessary, click the **Add Another Response** link (see illustration below) to add additional responses for the question.

- Scroll to the bottom of the window and input a **General Explanation** of the question, if desired.
- Click the **Add** button to insert the question into the test or quiz.
- A message will appear saying the question has been added successfully.

- Click **OK** to return to the **Exam Content Item** window.
