

Exam-True-False Questions

This type of question can be auto-graded. When the student takes the test or quiz, the score will automatically appear in the Gradebook.

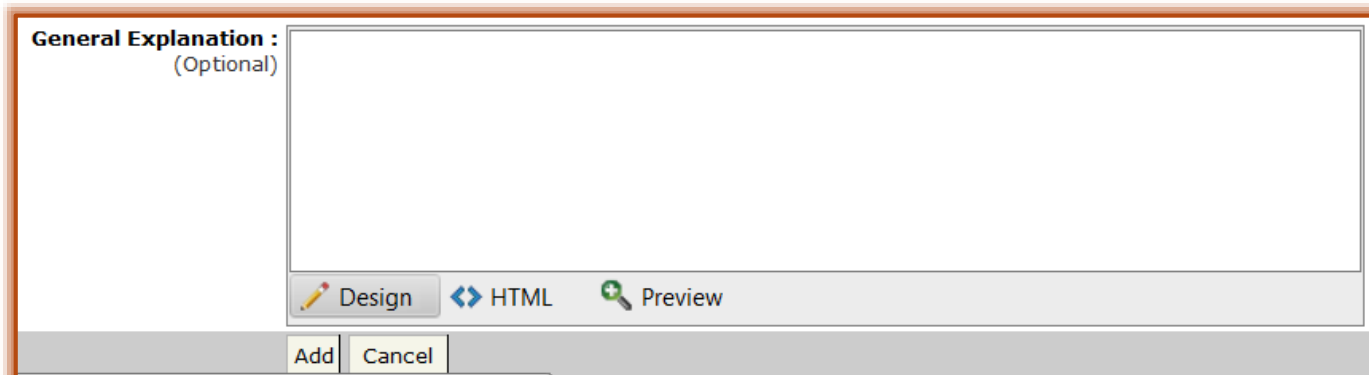

- Click the **Author** tab.
- Click the **Week** where the test or quiz is located.
- Click the **Test** or **Quiz** that is to be edited.
- The **Exam** window will display (see illustration below).

The screenshot shows the 'Week 2: Week 2 - Quiz 2' assessment editor. At the top, there are tabs for 'Content', 'Toolbox', and 'Test Banks'. Below the tabs, there is a section for 'Title & Introductory Text' with an 'Edit' link. The 'Page' section shows 'Page: 1' and '2', with links for 'Edit Page 1', 'Delete Page 1', and 'Add New Page'. On the right side, there are links for 'Preview Exam', 'Preview Graded Exam', and 'Exam Statistics'. At the bottom, there is a dropdown menu for 'Add: New True/False Question' and an 'Add' button.

- In the **Add** list, select **New True-False Question**.
- Specify where the question is to appear in the test or quiz in the **As row** box.
- Click the **Add** button on the right side of the window.
- The **Add True-False Question** window will display (see illustration below).

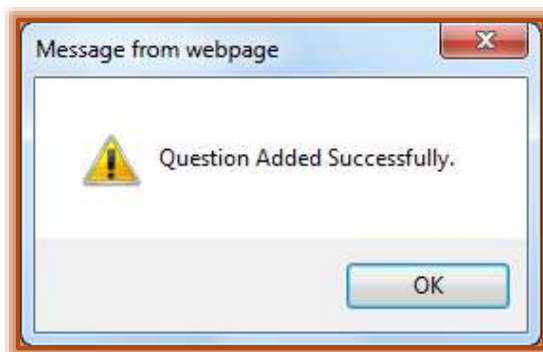

The screenshot shows the 'Add True/False Question' dialog box. At the top, there are 'Add' and 'Cancel' buttons. Below the buttons, there is a large text area for the 'Question'. Below the text area, there are three buttons: 'Design', 'HTML', and 'Preview'. Below the buttons, there is a 'Points' field with a text input box. Below the 'Points' field, there is a 'Correct Response' field with a 'Responses' link. Below the 'Correct Response' field, there is a 'True Explanation (Optional)' field with a text input box. Below the 'True Explanation' field, there is a radio button labeled 'True'.

- 🖥️ In the **Question** box, input the text for the question.
- 🖥️ Input the number of points that this question is worth in the **Points** box.
- 🖥️ Click the option button for either **True** or **False** to specify the correct answer.
- 🖥️ Input an **Explanation** for each of the answers, if desired.
- 🖥️ Scroll to the bottom of the window to input a **General Explanation** for the question.

The screenshot shows a software interface with a large text input area labeled "General Explanation : (Optional)". Below the input area are three buttons: "Design" (with a pencil icon), "HTML" (with a double-headed arrow icon), and "Preview" (with a magnifying glass icon). At the bottom of the interface are two buttons: "Add" and "Cancel".

- 🖥️ Click the **Add** button to insert the question into the test or quiz.
- 🖥️ The **Question Added Successfully** window will display.

- 🖥️ Click **OK** to return to the **Exam Content Item** window.
