

CLEAR PAGE CONTENTS

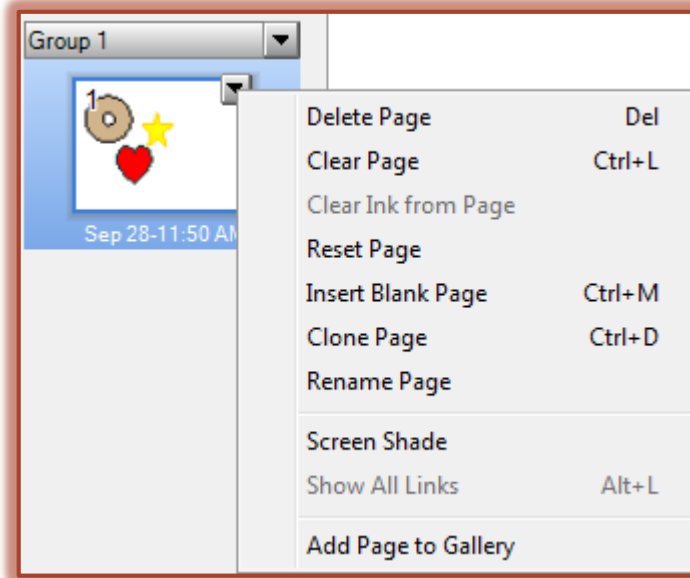

When working with the SMART Notebook software, it is possible to clear the contents of a page. This means that all the content of the page will be removed from the page. This can be accomplished by doing one of following.

- ✦ Click **Edit** on the **Menu Bar** and then select **Clear Page** (see illustration below).

A screenshot of the SMART Notebook menu bar. The menu items are: File, Edit, View, Insert, Format, Draw, and Help. The 'Edit' menu is highlighted with a red border.

- ✦ Click the list arrow for the page on the **Page Layout** tab and then select **Clear Page** (see illustration below).

- ✦ Right-click the **Page** icon and then click **Clear Page**.
- ✦ Press **CTRL** on the keyboard and then press the letter **L**.
