Contact Group

A Contact Group is a group of email addresses collected under one name. All members of the group will receive the email message sent to the group name. Contact Groups can be included in email messages, task requests, meeting requests, and in other Contact Groups. There are not a maximum number of names that can be included in a Contact Group.

CREATE CONTACT GROUP

1. Click the People button in the Folder Pane.
2. Click the Home Tab, if necessary.
3. In the New Group, click the New Contact Group button.
4. The Untitled-Contact Group window will display.
5. In the Name box, input a name for the Contact Group.
6. Click the Contact Group Tab.
7. In the Members Group, click the Add Members button.
8. From the list that appears select one of the options.
   - From Outlook Contacts
   - From Address Book
   - New Email Contact
9. From Outlook Contacts:
   - Click the From Outlook Contacts option.
The Select Members: Contacts window will appear.

In the Search box, input the first name and last name of the contact. A list of names that match the Search criteria will display. In the list of names, click the name that is to be added to the Group.

1. Click Members at the bottom of the window to add the name to the Group.
2. Continue this procedure to add additional names to the list.

From Address Book:
1. Click the From Address Book option.
2. The Select Members: Global Address List window will appear.

In the Address Book list, click the Address Book that contains the email address that is to be included in the Contact Group.
1. Click the Members button to add the contact to the Group.
2. Continue this procedure to add additional names to the list.

When all the names have been added, click the OK button to create the Contact Group.

New Email Contact:
1. Click the New Email Contact link.
2. The Add New Member dialog box will display.
3. Enter the information for the person in the Add New Member dialog box.
4. In the Email Address box, input the Email Address for the New Member.
5. Click the OK button to add the Contact to the list.
Remove a Name from Contact List

1. Open the Contact Group from which the name is to be removed.
2. Click the Name that is to be removed.
3. Click the Contact Group Tab.
4. In the Members Group, click the Remove Member button.
