

Personalization- Colors

This option is used to change the color of the Windows border, Taskbar, and the Start Menu.

- ✦ Right-click on the **Desktop**.
- ✦ Select **Personalize** from the list.
- ✦ Do one of the following:
 - ✦ Under **Personalization**, click the **Color** link.
 - ✦ Click the **Theme** link and then click the **Colors** link.
- ✦ The **Colors** window will display.

- ✦ Click the **Automatically pick an accent color from my background** check box, to let Windows choose the background color.
- ✦ Click each of the colors in the panel under **Recent Colors** or **Windows Colors** to change the color.
- ✦ Click the **Custom Colors** link to make changes to the selected color.
- ✦ Scroll down to the **More Options** area of the window.
- ✦ Choose whether or not **Transparency Effects** should be **On** or **Off**.
- ✦ Select which surfaces the **Accent Colors** should appear.
- ✦ Choose the **Default App Mode**.
- ✦ Select the link for the **High Contrast Options** to select other features.
