

## SoftChalk - Flash Card Activity

This Activity allows students to review terms and definitions in a Flash Card format. The definitions can include equations and images.

- Click the **Insert** tab on the **Menu Bar**.
- Move the mouse pointer over **Activity**.
- From the list that appears, click **Flash Card**.
- The **Flash Card Activity** window will display (see illustration below right).

- Click the **New** button to add a **Card** to the list.
- The **New Card** window will display (see illustration above left).
- In the **Term** and **Definition** boxes input the pertinent information.
- Click one of the options for inputting an image, if desired.
- Click the **OK** button.
- The **Terms** will appear in the list under **Number of Cards**.
- Click a **Term** in the list and click the **Edit** button to make changes to the **Term** or **Description**.
- Once all the **Terms** have been added, click the **OK** button to return to the **Main Entry Window**.
- Click the **Options Tab** (see illustration on next page) to input the **Instructions** for the **Activity**.
- Under **Visible at Open**, select the desired options – **Show Term** and/or **Show Definition**.
- Under **Options** select the desired options – **Big Text** and/or **Display Inline**.

 The **Flash Card Activity** will display when it is viewed in the Web Browser as shown in the illustration below.
