

## SoftChalk - Slide Show Activity

This Activity allows students to view images in a slide show format. Sound in MP3 format can be added to the Activity.

### SLIDE TAB

- Click the **Insert Tab**.
- Move the mouse pointer over **Activity**.
- Select **Slide Show** from the list of **Activities**.
- The **Slide Show Activity** window will display (see illustration below).

### Select One Image at a Time

- Click the **New** button to add a single image to the album.
- The **New Slide** window will display (see illustration above right).
- Do one of the following:
  - Click the **File** button to select an image from your computer.
  - Click the **Cloud** button to insert an image from **SoftChalk Cloud**.
  - Click the **Library** button to select an image from the **SoftChalk Library**.

### Import Folder of Images

- Click the **Select Folder** button.
- The **Open** window will display.

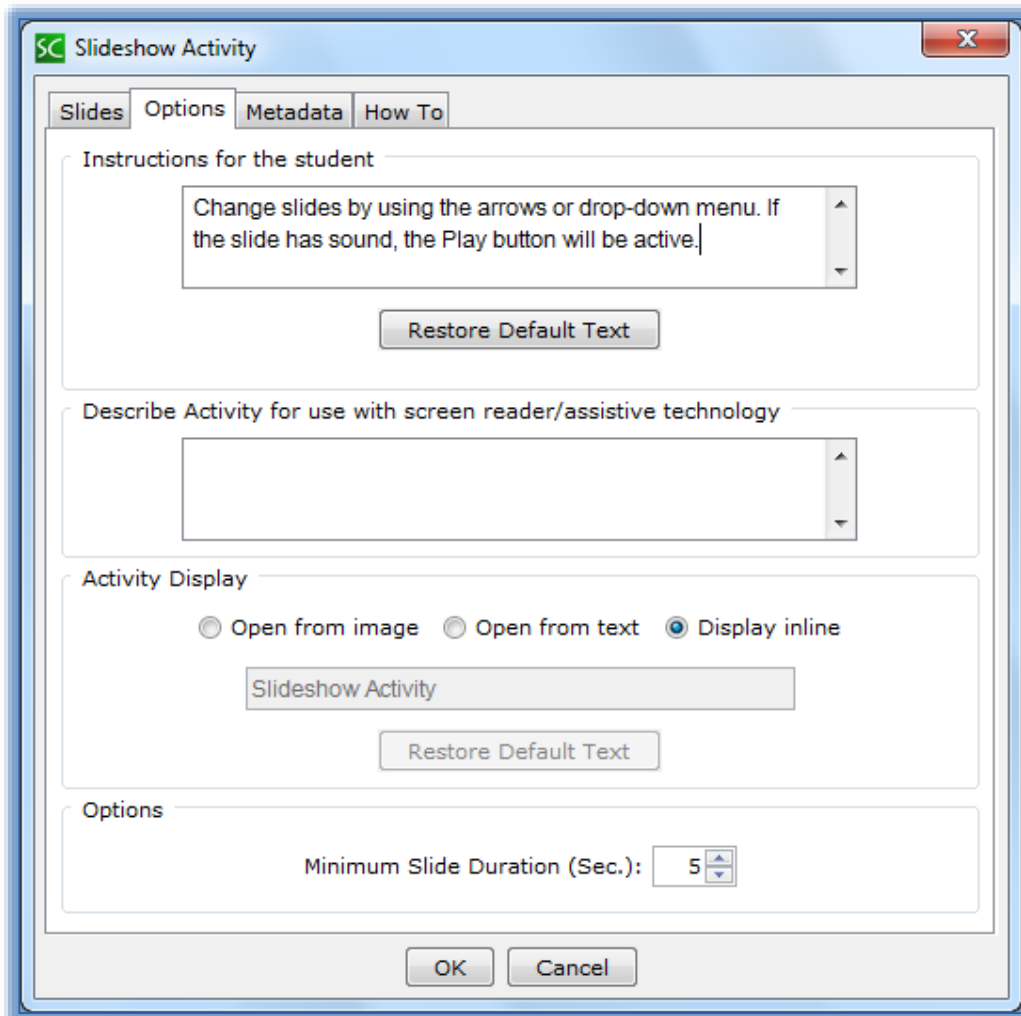

- ☞ Select the folder that contains the images.
- ☞ Click the **Open** button.
- ☞ The images will be added to the **Slide Show**.
- ☞ A message will appear when the process is complete.

### Edit Slide Show

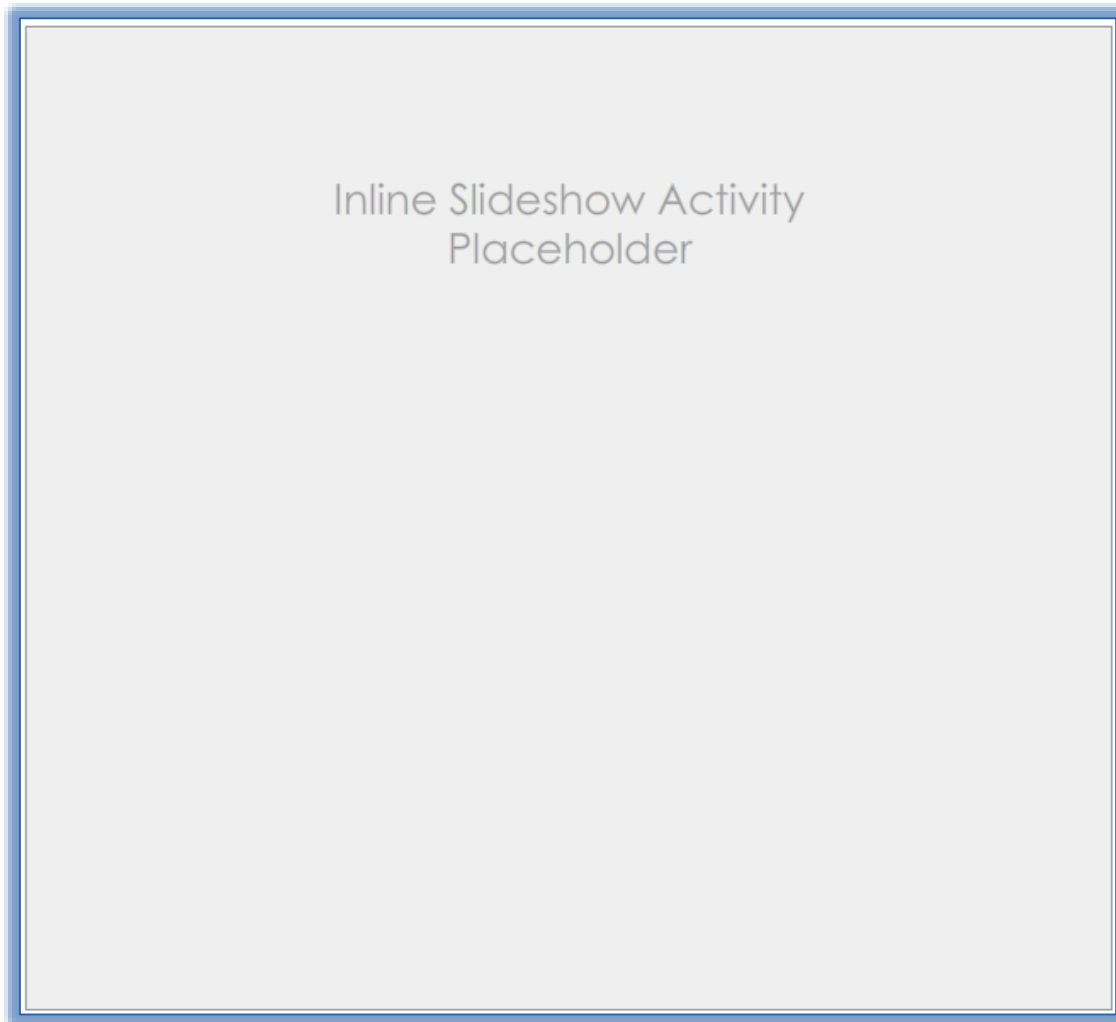

- ☞ To change an image or edit the caption:
  - ☞ Select the image that is to be edited.
  - ☞ Click the **Edit** button.
  - ☞ Make the necessary changes.
  - ☞ Click the **OK** button.
- ☞ To change the order of the images:
  - ☞ Select the image that is to be moved.
  - ☞ Click the up or down arrows at the bottom of the list.
- ☞ To delete the image:
  - ☞ Select the image that is to be deleted.
  - ☞ Click the **Delete** button.

### OPTIONS

- ☞ Click the **Options** tab (see illustration below).

- 🖨 Input instructions for the students into the appropriate box.
- 🖨 Insert a description of the **Activity** for those students who are visually impaired.
- 🖨 Click the **Display Inline** check box if the **Activity** is to display directly within the **Lesson**.
- 🖨 Click the spinner arrows to specify the **Minimum Slide Duration**.
- 🖨 When all the **Options** have been chosen, click the **OK** button.
- 🖨 The **Slide Show Activity Placeholder** will appear in the **Lesson**.

#### EDIT ACTIVITY

- 🖨 Right-click on the **Slide Show Activity Placeholder**.
- 🖨 Select **Modify Activity** from the list.
- 🖨 Make the necessary changes to the **Activity**.
- 🖨 Click the **OK** button.

#### VIEW ACTIVITY IN BROWSER

- 🖨 **Save** the **Lesson**.
- 🖨 Click the **View in Browser** button on the **SoftChalk Toolbar** (see illustration above).
- 🖨 Click the right or left arrow to manually move through the **Slide Show** one slide at a time.
- 🖨 To have the presentation run automatically, click the **Start Slideshow** button.

Change slides by using the arrows or drop-down menu. If the slide has sound, the Play button will be active.
