

RESPONDUS-SET eCOLLEGE PERSONALITY

Before an exam can be created and published to eCollege, the eCollege Personality must be specified. This option should be set before the exam is created or imported.

✚ Click the **Start** tab, if necessary.

✚ Click the **Open or Create** link in the left frame, if necessary. This is the default display when Respondus is opened.

✚ In the **Current Personality** list, select **eCollege**.
