

View Courses from Previous Terms Past Enrollments

When a Canvas term ends, courses are moved to the Past Enrollments area. Courses under the Past Enrollments heading are courses that have concluded but are still available as a read-only archived course. Faculty and students can view the course material and grades but cannot submit any assignments. This area is located under the Courses tab in the Global Navigation Pane. All courses will be removed from the Dashboard at the end of a term.

- Click the **Courses** link in the **Global Navigation Pane** of the Canvas window.
- A list of courses that appear on the Dashboard will appear.
- Scroll down to the **My Courses** link.

- Click the **My Courses** link.
- A list of courses will display.
- Scroll down the page to display the **Past Enrollments** area.
