

Sign into your Adobe Account from the Mac Computers

Login on to any **Studio Angelico computer Lab** or **PAC 123 iMac** computer.

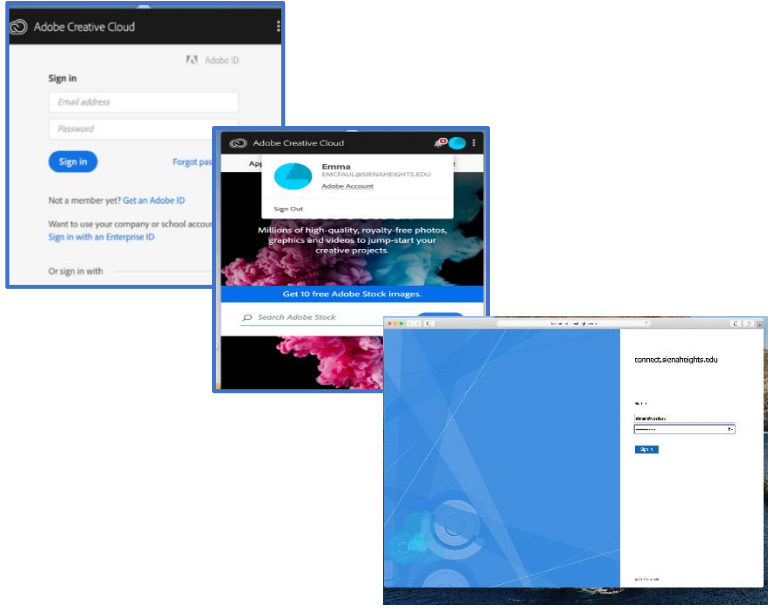

Using your **mysiena network login** and **password** information.

On the top right of the iMac **click on the Creative Cloud Icon.**

1. Sign in on the **Adobe Enterprise ID link**. The **Creative Cloud menu** will open, type yourusername@sienaheights.edu,
Password: your MySiena password. Notice the Creative Cloud icon, after you successfully log on, has a **red dot** on the **CC sigma icon**.

2. **Connect.sienaheights.edu** through **Siena menu will open**. Type your information as follows below:
Username: sienanet\Yoursienanet **username**
Password: Your sienanet password.
Next, click on the sign in button.

Open the Adobe Premiere Pro Application

From the **finder menu on the top of your screen**, click on **Go**, and from the drop-down menu, **select Application**, click on the **Adobe Premiere Pro application**.

By selecting the **help section from the top menu of Premiere Pro**, you can select the scroll down menu, **to verify your secure logon account**, associated with the Adobe program.

To **Log out** of your **Adobe account**, go to **CC blue icon** from your **CC menu**, and **sign off**.

Recommendation: Siena Heights has switch to the **Adobe Enterprise license** program on campus, it is recommended for all students to use the same **Imac computer** when you are in the Studio Angelico building in the **Studio's, 2, 8,9, or 12, labs, or** in the Performing Art building in the **PAC 123 lab**.
