

Sign in to your Adobe Account from Windows Computers

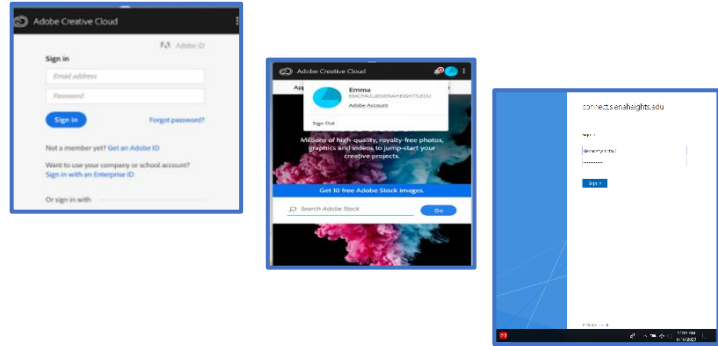

Login on the loan out Surface Pro or any Siena Office Windows computers.

Using your **mysiena network login** and password information.

On the right bottom of the **Windows taskbar**, **click on the carrot**, then click on the **Creative Cloud icon**, which will display your **Adobe Creative Cloud menu**.

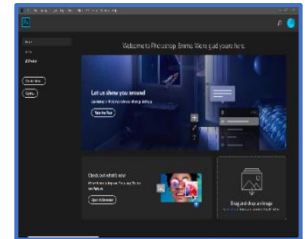

1. Select the **Blue Enterprise link**, and then the Creative Cloud menu will open, type yourusername@sienaheights.edu
2. The connect.sienaheights.edu through the Siena menu will open. Type your information as follows below:

Username: Sienanet\MySiena username
Password: Yoursienanet password. Then click on the **Sign in button**.

Open the Adobe Photoshop Application

From the **bottom taskbar menu**, type **here to search**, type in **photoshop**, and the Adobe Photoshop application will open.
 The next message appears about your account confirmation.

Upon checking the **help section from the top menu of Adobe Photoshop**, you can select the scroll down menu, **to verify your secure login account**, associated with the Adobe program. To log out of your account, go to CC Sigma from the **Creative Cloud menu**, and click on your blue icon to logout.

Recommendation: All Windows Surface Pro loan out laptops, are to return to the DH300 Information Technology desk, for Adobe updates.
